

Gaukler Family Wellness Center Swimming Lessons Guidelines:

- ***If you are in quarantine or showing symptoms of COVID-19 you are not allowed at swimming lessons***
- During a child's class, a child is allowed to have one adult stay and watch them. No other children besides the children in lessons during that time slot are allowed on the deck. Even if a child has a lesson at the next time slot they may not wait during another child's class time. If there are two children in the same household in lessons in the same time slot then two adults are allowed. Siblings or other children not enrolled in lessons during that time slot are not allowed to come in the pool area- even for pick ups
- We encourage you to drop off your child at lessons
- Do not show up more than 10 minutes early for your lesson
- Masks and social distancing are highly encouraged
- There will be no chairs provided and outside chairs are not allowed to be brought in
- All children and adults must get their temperature checked at the front desk before coming to lessons
 - Stand in front of the iPads to the right of the front desk and get your temperature read
 - Anyone with a temperature of 100.4 degrees or higher is not allowed in the facility
- We encourage children to come in swim attire to minimize time in the locker room and congregating in the locker room
- Hot Tub is closed during swimming lessons
- Pool Area is closed to anyone not enrolled in swimming lessons
- Party Room is closed for parents to watch lessons
